

PLEASE PRINT VERY CLEARLY

LEAGUE HIGH SCORES from _____ Adult Youth
(Bowling Center)

League Name _____
(DATE GAMES BOWLED)

CRITERIA: Secretaries, **please** limit your scores to **six per league**. It will be your judgement as to which bowlers deserve recognition. We suggest you include the highest scratch scores and the scores which are most pins over average. In the past, too many scores which were "average" were being submitted and we feel this new procedure will give more credibility to those scores which are printed. Thank you for your help.
